I authorize the Belton-Honea Path Water Authority to debit (draft) the account identified above each month for the amount of services billed on my water utility account. Additionally, I authorize my financial institution identified above to debit the same amounts from my account. I understand that this authorization will be in effect until I notify the Belton-Honea Path Water Authority and my bank, in writing, that I no longer desire this service. In the event that my bank account does not have sufficient funds to cover the monthly payment, I understand that it will be my responsibility to manually pay the bill plus any NSF check fee by cash or money order. I also understand that if corrections in the debit amount are necessary, it may involve an adjustment (credit or debit) to my utility account.
